### 📄 PROFILE

Hi, I'm Nutsa. I'm an Architectural Design student at Politecnico di Milano. I tackle my challenges with hard work and passion. Currently, I'm looking for an opportunity to bootstrap my professional architectural career and apply my academic knowledge into practice.

### 🌐 LANGUAGES

**Georgian**

B1

**Italian**  
A2

### 🎓 EDUCATION

#### Politecnico di Milano

BSc in Architectural Design

09/2022 – present | Milan, Italy

### 📁 PROJECTS

#### Project - "Look up"

09/2023 – 11/2023

Erecting a pavilion in a forest of the Alps, offering relaxing experience, giving visitors the opportunity to enjoy the sky-view, while observing the structural elements of the building.

#### Project Vimercate

02/2022 – 06/2023

Project's aim was to re-develop a site, previously occupied by an industrial factory, into a residential area, consisting of series of town-houses, patio houses, as well as commercial spaces.

#### Porta Romana - Revitalizing Urban Leisure

02/2022 – 06/2022

Porta Romana's pedestrian traffic was concentrated around its main landmark - Fondazione Prada. In order to distribute the traffic to a larger area, our team designed a multi-functional space offering commercial and leisure activities to all social groups.
